Remembering Dresden 13-14 February 2015 – and the Myth of the Marshal Plan

Dresden Germany - February 13, 1945 and the war is over, Germany has lost. With no warning or military reason, US and British bombers pour over 3,300 tons of incendiary bombs on beautiful, non-combatant Dresden, swollen with countless refugees fleeing the murdering, raping Soviet hordes to the east. The bombs ignited a massive firestorm burning alive over 500,000 innocents in the worst single event massacre in history. More were genocided in defenseless Dresden than died in Hiroshima and Nagasaki combined. The fleeing city zoo keeper later wrote of the spine-chilling screams of the elephants he had to abandon. Dresden. Don't forget.

mile wide path, running through Germany to the Baltic Sea so that it would not be landlocked.

The Poles consider Hitler's solution, but behind the scenes, **Poland is urged by FDR to not make any deals with Germany.** When it becomes apparent to Hitler that Poland will not allow a referendum, he then proposes another solution – international control of the formerly German regions. This sensible offer is also ignored. The Globalists intend to use foolish Poland as the match which ignites World War II.

Germans stranded in the stolen 'corridor' and the "free city" of Danzig were abused and denied the right to self-determination.

AUGUST 25, 1939

BRITAIN & POLAND AGREE TO A MILITARY ALLIANCE

The **Polish-British Common Defense Pact** contains promises of British military assistance in the event that Poland is attacked by another European country. This builds upon a previous agreement (March 1939) between the two countries, and also France, by specifically committing to *military* action in the event of an attack.

With this agreement, powerful Zionist-Globalist forces in the UK have now trapped the reluctant Prime Minister Neville Chamberlain, as well as France and Poland. All that is left to do now is for Polish-Jewish border thugs to deliberately provoke Germany into action and get the ball rolling.

The British-Polish Common Defense pact was forced upon Neville Chamberlain.

Unjustly labeled by historians as an "appeaser", Chamberlain had to be maneuvered into war by powerful factions above and around him.

FORBIDDEN HISTORY: QUOTE TO REMEMBER

"Chamberlain (speaking off the record to Ambassador Joseph Kennedy while playing golf) stated that America and the world Jews had forced England into the war".

1952 p129*

AUGUST 31, 1939

THE GLEIWITZ (and other) BORDER ATTACKS / JEWISH-POLISH GUERILLAS ATTACK GERMAN RADIO STATION

Overestimating their strength, underestimating German strength, and knowing that France and the UK would now be forced to back them, Polish-Jewish terrorists cross the border and attack a German radio station in Silesia, Germany. **It is actually the latest in a string of deliberate border instigations against Germany.**

The "Poles" then broadcast a message (in Polish) urging others to take up arms and start attacking Germans. German police quickly arrive and retake the station, killing one of the Red terrorists. **Jewish Red terrorists, their Polish government protectors, and their Globalist-Zionist masters have picked a fight with Germany!**

Modern historians claim that the Gleiwitz incident was staged by Germans dressed as Polish terrorists. But as is the case with the Reichstag Fire conspiracy theory, they offer no evidence, (*beyond a forced "confession" obtained after the war*) to support this theory – a theory that ignores the outrageous and repeated pattern of provocations directed at Hitler's Germany ever since 1933, the numerous border incidents, and also Hitler's sincere attempts to negotiate a fair resolution to the Corridor and Danzig controversies.

Soon after broadcasting a call to kill Germans, Polish-Jewish partisans, with the blessing of the Polish government, kicked off the war between Poland and Germany.

FORBIDDEN HISTORY - QUOTE TO REMEMBER

"I lived in Germany during the 1980s when many people who lived during the war were still alive. I sought out anyone who lived near Poland in 1939 and was lucky enough to meet several people. One was a customs official who said it was so bad on the border they were armed and also had grenades in their office ready for attacks. Another told me his farm animals were often stolen by Polish (Jewish?) terrorists. Another told of his niece being raped by a Pole (Jew?) who crossed the border. He told me in 1940 they caught the man and showed me a copy of the death order signed by Heydrich, in which he ordered the man put to death.

*This is just one of many stories told to me by German civilians who witnessed these border incursions just like had happened in 1919-1928. **One thing many people fail to see is that Poland openly attacked Germany right after World War I**, which led to many border battles. Once Germany started pressing Poland to work out a solution to the corridor, the attacks started again. And one thing that is clear to me is that Germany did not make up these attacks."*

GAME ON!

GERMANY INVADES POLAND
SEPT 1

As the German army advances eastward, the badly beaten Polish forces withdraw rapidly.

'BLOODY SUNDAY'

SEPT 3

Red Jewish terrorists rape, torture and massacre 3000+ German civilians in the town of Bromberg, Poland. The massacre is known as 'Bloody Sunday'.

UK & FRANCE DECLARE WAR UPON
GERMANY
SEPT 3

The world press shrieks in horror over Germany's "aggression", as Britain & France declare war!

The Bromberg butchery of innocent Germans is ignored.

SEPTEMBER 17, 1939

SOVIET UNION INVADES POLAND FROM THE EAST / ALLIES SAY NOTHING!

With the Polish army being routed by the advancing Germans in the west, Stalin cleverly decides to break the [Soviet-Polish Non Aggression Pact of 1932](#). Poland is stabbed in the back as Soviet forces pour in from the east. The advancing Reds carry out massacres, the most infamous being the [Katyn Forest Massacre](#) in which 10,000 Polish Army officers are shot in the head.

Other than the pre-Versailles German areas which Germany will reclaim, the Soviets will take *all* of Poland. In a shocking double-standard, **the anti-German Globo-Zio press, FDR, France & the UK remain oddly silent about this brutal Soviet aggression.**

Poland appeals to Britain for help, citing the Poland-British Defense Pact just signed a few weeks ago! The Polish ambassador in London contacts the British Foreign Office pointing out that clause 1(b) of the agreement, which concerned an "aggression by a European power" on Poland, should apply to the Soviet invasion. The UK Foreign Secretary responds with hostility, stating that it was Britain's decision whether to declare war on the Soviet Union!

The truth is, the Allies don't give a rat's ass about Poland. They only used its foolish ultra-nationalist leaders to instigate Hitler so that they could have their war. The horror that Poland will suffer under Soviet occupation is Poland's problem, not Britain's!

Soviet Union invades Poland 17 September 1939

The Soviets executed 10,000 Polish Army officers at Katyn Forest. They would later try to blame it on the Germans.

SEPTEMBER 17, 1939

GERMANY HAS DEFEATED POLAND / DANZIG AND WESTERN PRUSSIA REUNITED WITH GERMANY

Within a few weeks, the German-Polish War is already over. Hitler receives a hero's welcome upon his arrival in liberated Danzig. [Hitler addresses the Danzig crowd](#):

"No power on earth would have borne this condition as long as Germany. I do not know what England would have said about a similar peace solution (Versailles) at its expense or how America or France would have accepted it.

I attempted to find a tolerable solution - even for this problem. I submitted this attempt to the Polish rulers in the form of verbal proposals. You know these proposals. They were more than moderate. I do not know what mental condition the Polish Government was in when it refused these proposals.As an answer, Poland gave the order for the first mobilization. Thereupon wild terror was initiated, and my request to the Polish Foreign Minister to visit me in Berlin once more to discuss these questions was refused. Instead of going to Berlin, he went to London."

OCTOBER 1939 - MAY 1940

HITLER PLEADS FOR PEACE WITH BRITAIN & FRANCE

The German-Polish War has ended quickly. There is nothing that the Allies can do help their Polish puppet. **The French actually invade Germany on September 7th, advancing 8 km before stopping.** The quiet period between the end of the Polish war until May 1940, is dubbed by a US Senator as "**The Phony War.**"

During this time, Hitler pleads for the Allies to withdraw their war declarations. Towards France he declares: ***"I have always expressed to France my desire to bury forever our ancient enmity and bring together these two nations, both of which have such glorious pasts."***

To the British, Hitler says: ***"I have devoted no less effort to the achievement of Anglo-German friendship. At no time and in no place have I ever acted contrary to British interests....Why should this war in the West be fought?"***

Hitler's pleas for peace are ignored as **the allies amass 600,000 troops in Northern France!** Plans are openly discussed to advance eastward upon Germany, via Belgium and Holland, as well as establishing operations in neutral Norway and Denmark, *with or without their consent.*

As Hitler continues to plead for peace, the British government deploys its army and frightens its people.

Any questions?
